Association of Analytical Communities Sub-Saharan Africa Section  
Inaugural Meeting, 5-7 November 2018, Pretoria, South Africa

The AOAC INTERNATIONAL Sub-Saharan Africa Section is a Regional Professional Scientific Association whose primary goal is building confidence in analytical results.

The Section is dedicated to promoting and advancing knowledge and best practice in the analytical sciences' for the Region.

The Sub-Saharan Africa Section aims to achieve its goals through collaboration, training & education, analytical methods development & harmonisation, the extension of the scope of Official Methods (to include indigenous foods where required) and to serve as an independent and impartial scientific advisory body, while engaging laboratory support service providers to develop the infrastructure necessary to ensure easy access to reagents, consumables, instrumentation and maintenance, all of which are required to sustain testing performance standards.

We are pleased to invite you to attend the inaugural meeting of the AOAC International Sub-Saharan Africa Section on 5-7 November 2018 at the Farm Inn Country Hotel and Wildlife Sanctuary in Pretoria South Africa.
